NEW MEXICO NETWORK FOR WOMEN IN SCIENCE AND ENGINEERING

http://nmnwse.org

The purpose of the Network is to encourage the entry into, and career development of women in science and engineering professions through annual technical symposia, outreach, and local chapter activities.

EXPANDING YOUR HORIZONS™ in science and mathematics!

EYH is a conference for young women to increase their interest in science, engineering, and math. Students attend workshops where they meet and form personal contacts with professional women from these technical fields.
